Dear Parents:

Enclosed is the Lower-Elementary Supply List. **Do not write your child's name on any of the supplies.** On the first day of school, supplies are pooled together and will be used by the entire class throughout the school year or when needed. For, example, all students' pink erasers will be combined and placed in several containers to be used by all the students.

The large spiral 5-subject notebook used for spelling may be labeled with your child's name in black at the upper right-hand corner. The school supplies can be generic, but we have found that the pre-sharpened Ticonderoga and Crayola color pencils are best buy for the long haul. Rulers need to have inches and metric measurements. Here are the supplies:

While I understand that families are very busy, it is important that all students bring their school supplies on the first day of school and not before. Regrettably, we cannot stockpile students' school supplies at CMS prior to the first day of school. If you have further questions, please e-mail or call the school.

Make it a good day,
