Red Team Spelling Work

2019-2020

Gallegos/Brown Lower-Elementary Class

PLEASE READ CAREFULLY (there have been changes):

- This is your only school copy issued (parents may get additional copies from the school's web-site).
- Definitions of spelling words must be turned on Monday morning (on single sheet notebook paper-prior to 9:00 a.m.).
- First 10 words (bold red print) are vocabulary words. Each vocabulary word has to have 1 definition from a book dictionary. Definitions must include: spelling word, part of speech (verb, noun, etc.), and definition.

Example:

van:	n.	a usually closed wagon or truck for moving goods or animals
seed:	vb.	to produce or shed seeds

- Students that do not complete definitions by Monday morning will not be able to take the spelling test on Friday morning (students can only use a “book dictionary” and not the internet for word definitions).
- Spelling Test is scheduled every week (see classroom calendar).
- Spelling Test Notebook must be at school on Friday, for students to take Friday's spelling test.
- Students' Memory Work does not have to be known verbatim (word for word), but the concept has to be generally understood.
- Students may use classroom dictionary to take home on weekends to complete vocabulary assignment.

Book Reading:

Book tests are about every two weeks and given on Mondays (see class calendar). Parents must ensure that their student has completely read the entire book before the day of the test. Some students will read the books by themselves and other students will need more parental help. You are helping them with the comprehension and assisting them to develop a picture in their head of what the story is telling them.

A cheat-sheet may be provided to parents prior to the book test, but is not always a given. The cheat-sheet, sent to parents, may have more information from the book than test questions on the test.

Remember, the book test can be very challenging for some students, but the tests are not made to fail students. Instead, the main objective of the book test is for students to get used to reading chapter books, finishing books in a given time period, and helping students write and answer essay questions. This will need to be a team-effort by parent and student if we plan to have success.

#	<u>Red Team's Book</u> (may not be in this order)
1.	Abe Lincoln
2.	Crispus Attucks
3.	Pocahontas
4.	George Washington
5.	Martin Luther King, Jr.
6.	Sacagawea
7.	Rosa Parks
8.	Harriet Tubman
9.	Thomas Jefferson
10.	Ribsy

First 10 words are vocabulary words and need 1 definition from the dictionary. Definitions must include: spelling word, part of speech, and definition.

Spelling Test	#	<i>Memory Work does not have to be known verbatim (word for word), but the concept has to be generally understood. It is important that you spend the time with your child and help him/her with these simple rules. Good Luck.</i>
Week 1	1	If a word or syllable has only one vowel and it comes at the beginning or between two consonants, the vowel is usually short (am, is, bag, fox).
Week 2	2	When you add a “ silent e ” to a short vowel (a, e, i, o, u) you make the first vowel long. A single consonant is usually placed between the vowel and the “ silent e ” to make it long (long “e” usually has the silent vowel next to the letter “e”)
Week 3	3	When making a long “e,” it usually has the silent vowel next to the letter and can be made long by adding an “e” or “a” (steal, tree).
Week 4	4	If a word or syllable has one vowel and it comes at the end of the word or syllable, the vowel is usually long (we, go, pony).
Week 5 and 6	5	Consonant Blends are two consonants put together where you can hear both sounds (black, brat, crust, drug, and place).
Week 7 and 8	6	The Consonant Digraph is a sound formed by combining two consonants to form a new sound. The digraphs are ch, gh, ph, sh, th, wh , and ng and they are never divided. Parent Note: A mnemonic for the digraphs is The Tough Witch Whacked the Fish King. Consonant Digraphs are never divided.
Week 9	7	The letter “c” has no sound on its own and is either the sound of “s” or the sound of “k.” If e, i, y follow the letter “c” than it will have an “s” sound (city, cent, cigar).
Week 10	8	If “e”, “i”, “y” follow the letter “g”, then “g” can be soft and sound like “j”. If another letter follows “g” or there is no letter after “g” then “g” sounds like a “ghuh” (wage, gym, pig, and bug). This rule does not always work.
Week 11	9	There are three ways to represent the “k” sound”: k,” “c,” “ck.” If you want a “k” sound at the beginning of a word and the first vowel sounds are “e”, “i”, “y”, then you have to usually use the letter “k” (kiss,keg,kick). If a word has, a “k” sound at the end of the word and the vowel is short then “ck” is used at the end of the word. If the word has a long vowel sound then a “k” is used (rack, rake, tick, tike).
Week 12	10	The final “ch” of a word follows a short vowel, a “t” or an “n” is often inserted so the vowel will sound short (catch, munch). Some speaker pronounce this “t,” “l,” or “n,” others do not. Both pronunciations are easily understood.
Week 13	11	If “y” is the last and only vowel in the word, then the “y” will have a long “i” sound. If “y” is the last and second vowel, then “y” will have a long “e” sound (fly, silly, yell). If the “y” is in front of a word than it is a consonant.
Week 14	12	If a syllable has a short vowel and ends with the letter “y” then the last consonant between the short vowel and the “y” has to be doubled (penny, chilly). If the syllable has a long vowel sound, do not double the consonant (hazy, baby).
Week 15	13	When the vowels “e”, “i”, “u” have the letter “r” after them they all sound like “er”. When “r” is with the letter “a” it sounds like “ar” in “car,” and when it is with “o” is sounds like “or” as in “for.”

Cardinal Montessori School

Red Team (Third grade) 2019-2020

Week 16	14	When the vowels in "er," "ir," "ur," "or," "ar" are long they have different sounds. Long "ar" sounds like "are" or "air." Long "er" sounds like "air" or "ear." Long "ir" sounds like "ire." Long "ur" sounds like "ur" or "yur" (pure, sure) and "or" sounds like "or" (four, for, their, chair, bear, peer, fire, etc.).
Week 17 and 18	15	There are five main diphthongs : oi(oy) , au(aw,al) , ei(ey) , ou(ow) , and oo(ew) , and they only count for one vowel sound, even though there is a slight break in the sound. The vowel diphthongs "oi" and "oy" sound the same, but "oi" is usually in the middle of the word and "oy" is used at the end of the word (boil/boy). The letter L and N will sometimes let ow and aw in the middle of the word (lawn, crawl, etc). The vowel diphthongs "aw," "au," and "al" have the sound you hear in "saw" and "caught."
Week 19 and 20	16	To make a word plural add "s" (cats, kites, dogs). If the word ends in x, z, ss, sh, ch add "es" to make it plural (foxes, dresses, peaches).
Week 21	17	If a word ends in "y" preceded by a consonant, change the "y" to "i" and add "es" (flies, fairies, babies). If there is a vowel before the "y" just add the letter "s" to make it plural.
Week 22	18	If you need to keep the last vowel short and you are adding "ing", "ed", "er", and "y" to a word, you must double the final the final consonant to keep the last vowel short (hop—hop-ping). To add suffixes when a word ends in silent "e," drop the "e" before adding a suffix that begins with a vowel (baking, taped, latest).
Week 23	19	If a word ends in "f" or "fe," change the "f" or "fe" to "v" before adding "es" (leaf-leaves).
Week 24	20	When "ed" is added to a base word ending in "d" or "t," "ed" will sound like itself. If "ed" is added to words that end in "unvoiced consonants" (f, k, p, t, s), then it will sound like "t." All other "ed" endings sound like "d."
Week 25	21	"Q" is always followed by "u" in English words (quilt).
Week 26	22	Divide a compound word between the words that make up the compound word (in/to, sun/shine). When necessary, divide the smaller words into syllables (un/der/ground). A syllable can only have one vowel sound.
Week 27	23	If a single syllable word ends with "l, f, or s" and has one vowel, you double "l, f, or s" at the end of the word (cuffs, mess, bell).
Week 28	24	Vowel combinations "ea," "ei," "ai," "ey," and "ay" also make the long "a" sound. Combinations "ey" and "ay" is usually used at the end of a word to make the long "a" sound (rain, ray)
Week 29	25	The "le" ending does not cause the final consonant before it to be doubled if that consonant is the second of two consonants (dangle), but if you need to keep the last vowel short, you need to double the final consonant (bubble).
Week 30	26	Divide a word between double consonants , each syllable gets a consonant and the vowel in the first syllable is short (hop-ping, fib-ber, tap-ping).
